

# Lesser Slave River

## Council Meetings

NOVEMBER 12, AND DECEMBER 3 AND 17, AT 10AM

### MD Searching for Chief Administrative Officer

The MD invites applications for an **accomplished and visionary CAO** to lead municipal administration and operations with strategic insight and exemplary leadership.

Reporting directly to MD Council, the Chief Administrative Officer (CAO) **advances Council's strategic vision**, and ensures the delivery of high-quality programs and services that **meet the needs and priorities of our community**.

This senior leadership role calls for an experienced and innovative professional who can align organizational performance with Council's goals while fostering **collaboration**, accountability, and **operational excellence**.

The successful candidate will demonstrate **strong fiscal stewardship**, sustainable growth, and **community well-being**, ensuring that the MD continues to thrive as a resilient and forward-looking municipality.

This is an exceptional opportunity to lead a progressive, community-focused administration and contribute to the long-term success and sustainability of the MD of Lesser Slave River. Interested applicants are invited to submit a cover letter and detailed resume highlighting their leadership experience and accomplishments. Visit [mdlsr.ca/careers](https://mdlsr.ca/careers).

### MD Seeking Utility Operator

The MD is seeking a Utility Operator to assist with the daily operation and maintenance of the municipal water and wastewater systems. This hands-on position is responsible for the operation, maintenance, and repair of water treatment and distribution, as well as wastewater collection and treatment systems across the MD. Visit [mdlsr.ca/careers](https://mdlsr.ca/careers).

### MD Seeking Shop Mechanic (Level I)

Reporting to the Director of Field Services, the Mechanic Level I is responsible for performing and coordinating mechanical repairs and maintenance on the MD's fleet, including vehicles, trucks, and heavy equipment.

The ideal candidate holds a Class 3 License, is capable of operating heavy equipment and trucks as needed, and brings previous supervisory experience to the role. Learn more and apply at [mdlsr.ca/careers](https://mdlsr.ca/careers).

### Vote for Your Favourite Photos

Starting tomorrow, voting opens for the **MD Moments Photo Contest!** Don't miss your chance to support your favourite shots!

The public voting period runs from **NOVEMBER 13 TO NOVEMBER 23**, and we're thrilled to have received so many outstanding submissions. A big thank-you to everyone who participated in this year's contest!

The photos featured at [mdlsr.ca/moments](https://mdlsr.ca/moments) will have passed our initial inspection for image resolution and other eligibility criteria. You have until Sunday, November 23 to browse the gallery and vote for your favourites!

The heart icons indicate which photos you've upvoted: an **orange heart** means you (or someone in your household) have already voted for that photo, while a **black outline** means you haven't yet upvoted it. You can upvote as many photos as you like, but you'll have to wait 24 hours until you can vote for the same photo again.

The 13 official winners will be announced at [mdlsr.ca/moments](https://mdlsr.ca/moments) following the deadline. Best of luck to all this year's talented contestants!

### RCMP Crime Map

Crime prevention begins with awareness, and the MD is committed to promoting neighbourhood safety through proactive community policing. In support of this goal, the RCMP has developed a crime map offering a detailed overview of reported incidents in the Lesser Slave River region.

Stay informed by visiting [mdlsr.ca/crime-map](https://mdlsr.ca/crime-map) to see where incidents like break and enters, motor vehicle thefts, and mischief to property are occurring in our communities. Understanding the complete picture is the first step toward making a positive change in our communities.

### Register for Voyent Alert!

By adding Voyent Alert! to our **communications program**, we can deliver personalized, rich-media alerts directly to the devices of MD residents who subscribe to this **free service**. Alerts are tailored to each user's selected preferences, ensuring timely updates that matter most to you.

We're committed to keeping residents informed with relevant and critical information when it's needed most. Voyent Alert! is a **multi-channel notification system** that provides fast, targeted updates on both emergencies and everyday municipal matters. Learn more at [mdlsr.ca](https://mdlsr.ca).

**RUGGED AND REAL ADVENTURES.**
